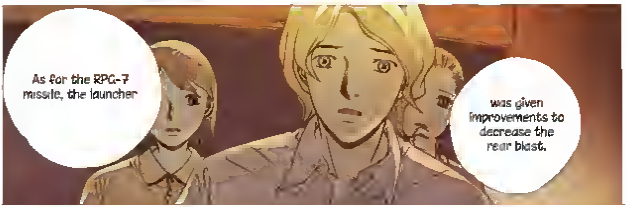
You can relax. We're from the UN...
321 sacks of AK-47 automatic rifle

For the rifle, I curved the muzzle to increase accuracy
Replacing the metal part of STG-44 with wood decreased the weight and increased it mobility.



As for the RPG-7 missile, the launcher
was given improvements to decrease the rear blast.

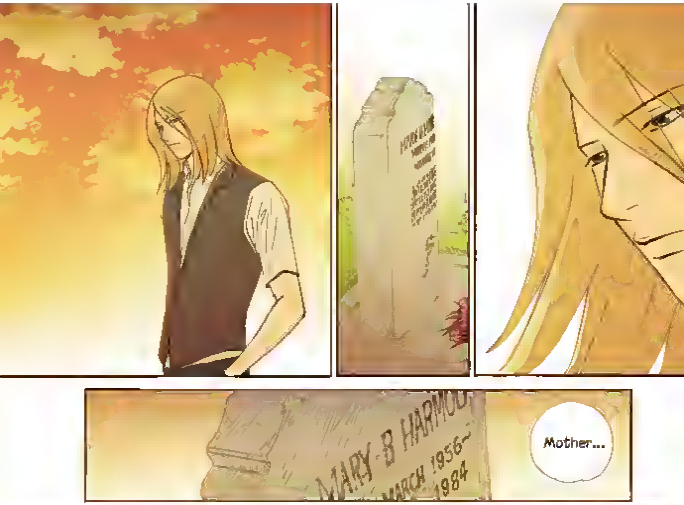
DON'T LIE TO ME! DIDN'T I MESSAGE HIM THAT I'M COMING?
WHAT? WHY?
Miss Rachel...
WHAT REASON DO YOU NEED FOR TWO LOVERS TO MEET EACH OTHER?!

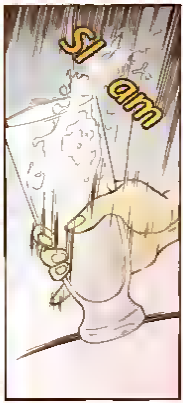
TELL THIS TO MY FATHER. NO MATTER HOW MUCH YOU GET IN THE WAY,
THIS COUPLE WILL DEFINITELY COME TRUE!!
DON'T WORRY, MISS CORNELIA, I WILL DEFINITELY LET YOU MEET ALLAN!
Aah...
Huh?
GO FOR IT!
WE HOPE YOU MEET HIM!
Whistle
She's still as reckless as ever.

Where's Allan?
I believe he went to that place.
I sent some men to go after him.
Out of sight, out of mind.
It's bitter...



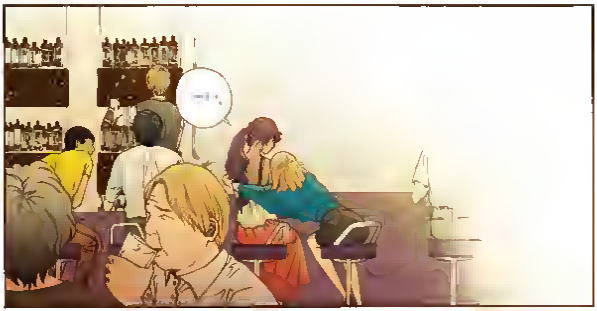
MARY B HARMOO
MARCH 1956~
1984
Mother...

What must
I do now?



SI am

I'm sorry. I really wanted you to meet him but it turned out like this.
Let's stay in London for a few days.
Well, until we get a ticket back to Cape Town.
I'm alright.
Don't mind me, Miss Rachel.
hugs
KYAK!
I think I understand a bit,
why Allan likes you.
Huh?
You're like Mary.
Mary Harmond,
Our mother.



Because of our strict father
It was always suffocating in the house

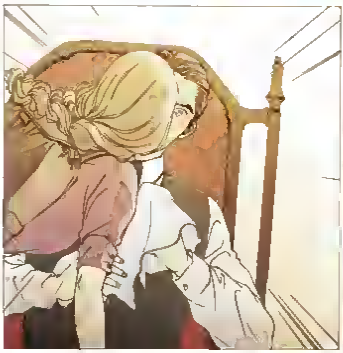
Shoes must be Oxford shoes
And no logos on the socks
Necktie and ribbon must have no patterns
And clothes must be buttoned to the very top
Always straighten your back
And fork must be used facing down And

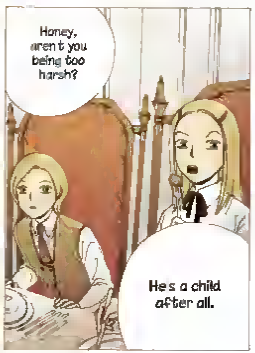
When you meet people,
you must first look at his status and blood line.

This was our father,
Ting
William's favorite line.

I'm sorry, father!

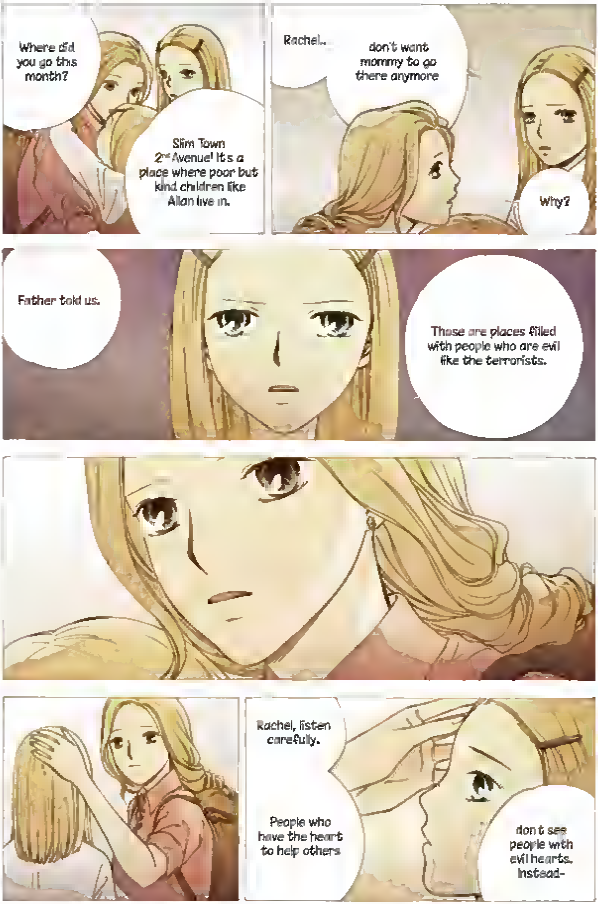
I always told you. During meals...



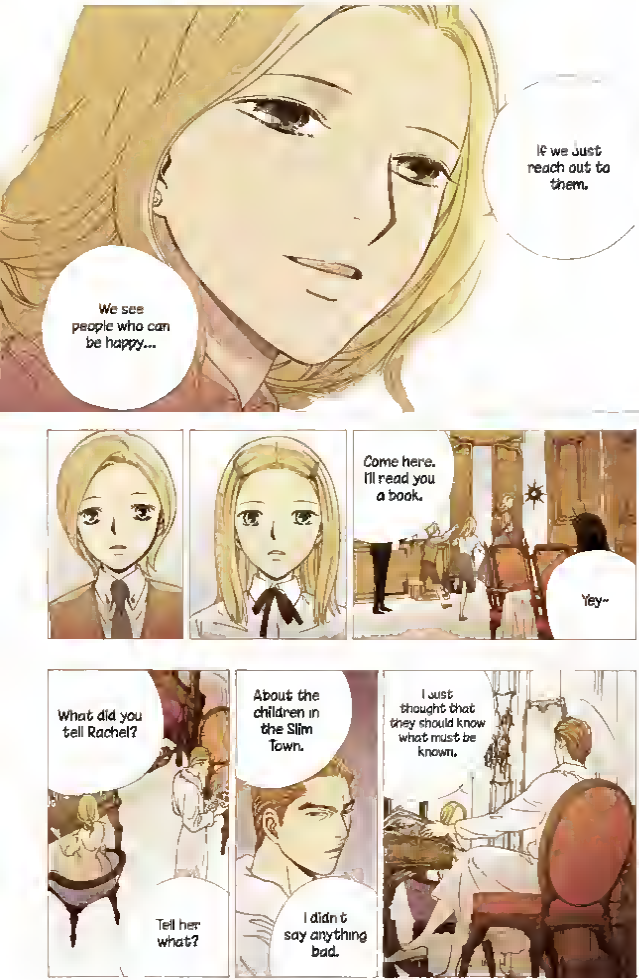


Honey, aren't you being too harsh?
He's a child after all.

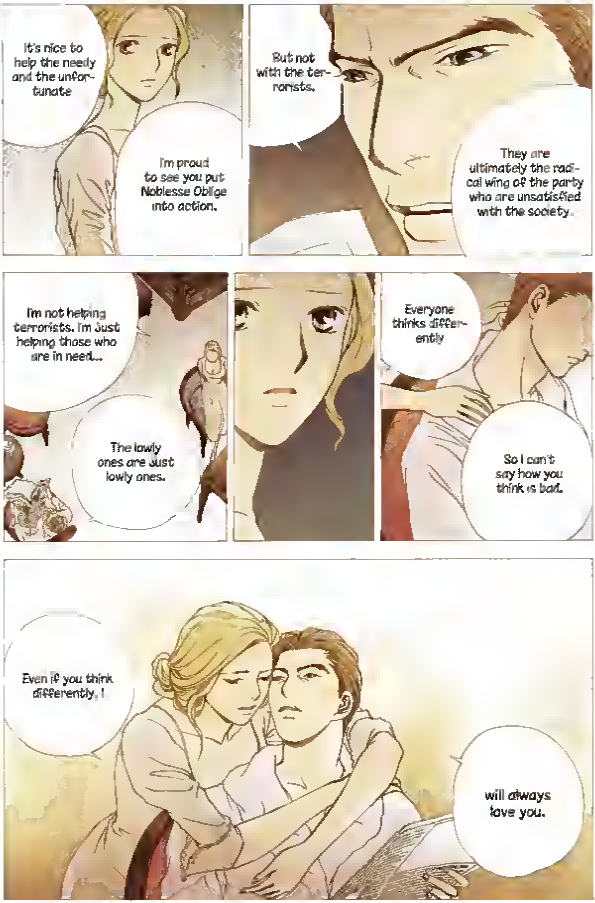
Go easy on them, William.
Did you go to charity again?
After all my disagreements... you're really impossible
Oh my... are you embarrassed?
We're in front of the children.
Let go of me
So what, we're married.
It's almost time for the hospital to open. Excuse me, then.
Click
Bang
Come over here, my daughter and son.
Mommy!



Where did you go this month?
Slim Town 2nd Avenue! It's a place where poor but kind children like Allan live in.
Rachel..
don't want mommy to go there anymore
Why?
Father told us.
Those are places filled with people who are evil like the terrorists.
Rachel, listen carefully.
People who have the heart to help others
don't see people with evil hearts. Instead-



We see people who can be happy...
If we just reach out to them.
Come here. I'll read you a book.
Yey~
What did you tell Rachel?
Tell her what?
About the children in the Slim Town.
I didn't say anything bad.
I just thought that they should know what must be known.



It's nice to help the needy and the unfortunate
I'm proud to see you put Noblesse Oblige into action.
But not with the terrorists.
They are ultimately the radical wing of the party who are unsatisfied with the society.
I'm not helping terrorists. I'm just helping those who are in need...
The lowly ones are just lowly ones.
Everyone thinks differently
So I can't say how you think is bad.
Even if you think differently, I
will always love you.

They met through an arranged marriage but

I have never seen them quarrel with one another

They both really loved each other.
